- The Kroger rewards number has changed to Q1706. If you haven't please sign up. This is an easy and great way to support the 4-H program. You don't lose your points this is just a donation from Kroger's to a charity of your choice.
- Mary E. Fisher Award is now the Dawna Jo Kiesling Award and is Due August 1. This is in honor of the late Dawna Jo Kiesling who was the SNAP-Ed program assistant in the Extension Office. If you have any questions please contact Kathy Bruynis.
- For the 2020 fair season animal exhibitors will have a completion requirement prior to the fair. It will be something like a personal interview or Skillaton along with the completed project book. More details will be coming in the future. The 4-H Committee and Educators wanted to give you a year's notice of this major change.
