Canter's Cave 4-H Camp, Inc., Jackson Ohio
June 7 – 10, 2022

Our Luau in the Woods begins on June 7th with registration in the Main Lodge at 4:00 P.M. (No early check-in, please. Campers wishing to room with friends should plan to arrive at camp together. Campers can NOT sign other campers into their cabins.) There will not be any supervision for youth who are brought to camp early!

Our travels end: June 7th at 9:30 A.M. Parents may pick up campers by signing them out at the main lodge after 9:00 A.M., and all campers need to be picked up no later than 10:00A.M. (Please note for the safety of our campers, they must be released to a parent or another adult with written permission.) Once at camp, campers are expected to remain at camp unless signed out by a parent or designated person with written permission.

Health Concerns:

Health Concerns - Please help us keep our camp safe and the camping experience enjoyable for all campers! All health forms should be completed on-line and don't forget to attach a photo. Please indicate any special dietary needs or other special accommodations on these forms so that your county 4-H Educator can notify the Camp Program Director in advance. For the health of camp, campers, counselors and staff will all have their temperature checked upon arrival. Anyone found to have a temperature will be rechecked by the camp nurse and if found to still have a fever will not be allowed to stay at Camp. (They may return to Camp if their temperature returns to normal for 24 hours. However, they will be rechecked upon arrival.) Persons found to have head lice will also not be allowed to remain at Camp and will be sent home. Please note we will also be watching bedding and bags for bed bugs as there is an increase in the number of bed bug infestation reports in Ohio. Should your camper become ill or injured we will make every attempt to contact you by phone immediately. Please make sure the phone numbers you provide on your health forms are current, and please provide us with cell phone numbers and a back-up emergency contact number of another family member.

Please refrain from bringing any Bath & Body Works products and products that contain peanuts to camp.

Change for larger amounts is not always available. *Campers will not need large amounts of money during camp.* Snacks and drinks are also available during the week from the canteen (\$10 should be more than enough to cover any needs or wants your child may have at camp.) ***Camp is not responsible for lost or stolen money that is not placed in the bank..***
