The Dawna Jo Kiesling Outstanding Family and Consumer Sciences Award Application is due August 1. The Dawna Jo Kiesling award is given in honor of Dawna Jo Kiesling, a dedicated 4-H Advisor, OSU Extension Employee for many years. She gave generously of her time and talents to the 4-H Family and Consumer Sciences program. The award is to recognize an outstanding 4-H member who has experience in a variety of Family and Consumer Sciences (FCS) projects. It is to encourage the 4-H member to try new experience and gain knowledge in more than one area of FCS projects while developing her/his leadership skills. The award is donated in memory of Dawna Jo Kiesling by the Kiesling family.

***This application must be accompanied with two recommendation letters (Advisor and a community representative who are not a member of your family).***
