All feeder calves must declare when crossing the scales if they are selling or not. Grand and Reserve overall and county bred and born feeder calves are not mandatory to sell unless Jr Fair participant so chooses. If they have already gone through a previous sale they are not eligible to sell.

Make sure all feeder calves that come to tag-in have a halter on so they can be tied up to tag.

No chutes will be allowed between the beef and sheep barns because that is a Fire Lane.

No Mulch in tie outs....Straw ONLY

Market and Breeding Showmanship with one Sweepstakes winner overall. Exhibitors can only participate in one.

Reminder if showing in Market Boer Goat County Bred & Born Show you must register at tag-in and Enter on Entry Day

With the numbers continuing to grow in the goat barn we are going to be rotating clubs into the Sheep Barn as well to help with space in the Goat Barn. This will allow tack space and be more accommodating to exhibitors and families.
