### **Farmer's Market in Adams County?**

I recently caught wind of interest in starting a Farmer's Market in Adams County this summer. If you are interested in being a part of this as a grower or even help organize it, please contact me at the OSU Extension Office. You can email me at [dugan.46@osu.edu](mailto:dugan.46@osu.edu) or call 544-2339. If I am not here ask for Anna.

### **Two Cattle Meetings in Hillsboro**

In a couple of weeks there will be 2 educational meetings in Hillsboro. On March 19, Dr. Caleb Bohrer will host a meeting discussing Long Range for parasites at 6:30 p.m. at the Ponderosa Banquet Center.

On March 20, there will be a meeting at the Union Stockyards discussing Banamine Transdermal (Pour on). The dinner will be a Ribeye Steak Sandwich starting at 5:45 p.m. until 6:45 p.m. The meeting will begin at 7:00 p.m.

### **Brown Co. Master Gardener Monthly Program**

The next Brown Co. Master Gardener program is coming up Thursday, March 15, 2018. The Garden seminar hosted by OSUE Brown County Master Gardener Volunteers will feature Carrie Taylor, Horticulturalist at Maysville Community and Technical College, discussing Gardening on a Small Scale. The program begins at 7:00 p.m. in Room 107 at the Mt. Orab campus of Southern State Community College. As always all seminars are free and open to the public.

### **GAP for Tobacco in Georgetown**

With the contracts now out for several growers, I want to make sure people are aware of the fact that there is one remaining GAP (Good Agricultural Practices) training remaining in the area. Please remember you need to attend a GAP training if you plan to sell tobacco with a contract in 2018. We require you to pre-register for the class by March 27 so we can make sure we have seating and materials for everyone.

The class will be on March 28 at 7:00 p.m. at the Southern Hills Career and Technical Center. Please call ahead to pre-register. Call Cindy at the Brown County Extension Office at 937-378-6716.
