

New Quality Assurance Information for 2024 Highland County 4-H and FFA members:

Highland County 12–14-year-old and 15–18-year-old 4-H and FFA members will have the opportunity to test out of the annual quality assurance (QA) program. Youth ages 12-14 who pass the QA test can test out of their annual QA program for up to 3 years. Youth ages 15-18 years who pass the QA test can test out of their annual QA program permanently. These ages are as of January 1, 2024. The test will be offered after the QA programs offered at each school location. You may only take the test one time per year.
